

JOB

Hello, My name is Mrs Ann Bayford from Uk. I am a dying woman who had decided to donate what I have to you. I am 59 years old and was diagnosed for cancer about 2 years ago, immediately after the death of my husband, who had left me with every thing he worked .I have been touched by God to donate from what I have inherited from my late husband to you for the good work of God, rather than allow my relatives to use my husband hard earned funds ungodly. I have decided to WILL/donate all i have left to you for the good work of the lord, and to help the motherless, less privileged and also for the assistance of the widows over there in your country. I will give you more details immediately i receive a positive response from you. Thanks and God Bless you Regards Leverette, Binta

**This book says, this is what faith is often like. Don't be surprised if you find yourself confused, doubting, afflicted, all but crushed. It does NOT mean you have lost favour with God.**

**JOB**

**Naked I came from my mother's womb,  
and naked I will return there. The Lord  
gave and the Lord has taken away.  
Blessed be the name of the Lord.**

from God

If we speak – speak well,  
if we comfort – comfort well.

Paul Tournier:

‘We are nearly always longing for an **easy** religion, **easy** to understand and **easy** to follow; a religion with **no** mystery, **no** insoluble problems, **no** snags; a religion that would allow us to **escape** from our miserable human condition; a religion in which contact with God spares us **all** strife, **all** uncertainty, **all** suffering and **all** doubt; in short a religion **without the cross.**’
