*1 Corinthians 11*

Are there things we do as a church or as a life group where we allow wealth and poverty to send the same signals that they send in the rest of the society?

*11:26 Whenever you eat this bread and drink this cup,  
you proclaim the Lord's death until he comes.*

## 2 key themes in 1 Corinthians:

1. Faith/Allegiance is demonstrated in community not individuality.
2. Paul is concerned about the spiritual battle showing God at work in all history through King Jesus.

## **Timeless Teachings:**

- 1. No requirement to wear veils/covering today**
- 2. Paul not concerned about women speaking publicly but about men and women being differentiated by what they wear – can't be gender neutral.**
- 3. How we dress is important – same as how we speak, eat and behave.**
- 4. Whatever you do – do it all for the glory of God – imitate me, as I imitate Christ.**

Who being in the very nature God, did not consider equality with God something to be used to his own advantage; rather he made himself nothing by taking the very nature of a servant, being made in human likeness. And being found in appearance as a man, he humbled himself by becoming obedient to death – even death on a cross! Philippians 2:6-8
